# NEWS FROM THE PRINCIPAL

The Year 6 students, along with Mrs Gibson, Mrs Pember and Mrs Manning, went on a great day camp to Point Walter Adventures. They had a fantastic time participating in team and leadership games from building a raft to canoeing. Thanks to the teaching team for all their efforts in organising especially Mrs Manning for all the preparation work for this event.

## Queensland Principals’ Visit

We were privileged to have 12 Queensland principals and staff visit YPS today. We were invited to showcase our school and show them around to see all the fantastic, innovative teaching and learning that is happening. The principals were interested in how we operate as an Independent Government Primary School compared to the Queensland IPS model. They were most impressed with the exceptional quality and diversity of the curriculum and innovative practices being delivered across the school. The main comment made was the wonderful ‘feel’ of our school and the friendliness of the students and staff.

## Helping Children Learn is Free and Fun for Parents

The Department of Education launched a campaign last week to support parents in helping your child learn in their early years. One of the most important things you can do for your children from an early age is to encourage a love of learning. Your involvement is very important. The more involved you are, the happier and more confident your children will be when they start school.

Helping your children learn does not have to be a chore. There’s lots of fun, exciting and interesting things to do that will make learning enjoyable for you both! Take the time to view the links below for some fantastic information and ideas.

**YPS Choir News**

Dear Parents of Choir members,

The **choir uniform** this year remains unchanged. It consists of:
- Long black pants
- White long-sleeved shirt with collar
- Dark or neutral coloured shoes

The colourful and black vests are supplied for girls and boys respectively. The choir uniform will be worn at special ceremonies such as **ANZAC Day** (beginning of Term 2) as well as on choir excursions. The shirts and pants can be hard to source, but Best & Less and the boys’ section in Target or Myer are good places to start. Second hand shops may also stocks these items.

Choir rehearsals take place every **Friday lunchtime**. At present we have a large choir of 45 members. Students from **Years 2-6** are welcome to join. However, it is likely that only **Years 3-6** will be able to attend choir excursions. I will bring you more information about upcoming excursions in the our next newsletter. Thank you for supporting our school choir.

Year 6 Camp Day 1

Last Friday the Year 6’s went to Point Walter for their first Day Camp. We were split into two teams to do some fun activities.

Afterwards we went kayaking. The students learnt how to stay safe when kayaking, we also did fun activities such as relay racing.

We also did raft building. The materials supplied were drums, rope and planks of wood, then we tested them to see if the rafts would float. There were lots of challenges and fun.

We all had lots of fun and are looking forward to the next day camp!!!!

Voluntary Contributions and Charges: 2016

Dear Parents and Caregivers

The Education Act 1999 requires schools to notify parents of the schedule of Voluntary Contributions and Charges for 2016. The Yokine Primary School Board has endorsed the schedule of Contributions and Charges for 2016. The Schedule covers four sections and will allow you to calculate all costs for 2016.

1. **Voluntary Contributions: (Section 99)**

   - The total amount of contributions parents and carers are being asked to pay has to be set in accordance with School Education Regulation 2000.
   - Money collected will be used to supplement school expenditure in the purchase of resources needed in the provision of the learning program activities, examples are set out below:

   **Kindergarten to Year 6**
   - Information and Communication Technology
   - hardware and software
   - English resources
   - Science resources and consumables
   - Mathematics resource
   - Physical Education Equipment
   - Music Resources
   - Library Books
   - Art/Craft resources and consumables

   These contributions are voluntary; however, the quality of our teaching and learning program will be enhanced when every family makes a contribution to the cost of supplementing funding gained from other sources including the State and Federal Governments. The cost represents $15 a term or less than 50c per day.

2. **Yokine Primary School Digital Technology Fund / Building and Grounds Improvement Fund**

   **Yokine PS Digital Technology Fund:**
   This fund was established and sanctioned by the School Board in 2012 to allow parents and community members to make a donation to support the school in developing our digital technology program K – Year 7 to ensure our students are supported in developing their skills and 21st century learning. In 2013 and 2014, the school purchased 2 banks of Tablets used generally for the junior years and 1 bank of Laptops used in the middle to upper years. In 2015 we increased the amount of Laptops by 18 and tablets by 12 to increase the capacity of technology integration across the school. The total estimated cost was $30,000. The generous donation from the P & C in 2013 and 2014 has supported the purchase of some tablets and laptops.

   **Yokine PS Grounds Improvement Fund:**
   This was established and sanctioned by the School Board in 2014 to support the growing need of developing our grounds, and playgrounds and to bring us in line with current educational learning for the junior years (K-2) and within the Mandated National Quality Standards for Early childhood Education and Care.  
   The School Board has included the option for parents to make an additional voluntary contribution to these funds by paying $10, $20, $50 or any other amount. Donations can be made at any time during the year.

3. **Extra Costs Associated with Optional Education Program**: (Section 100)

A breakdown of estimated charges for your child’s participation in expected class and school activities for 2016 has been included. Details on charges collected in previous years have assisted us in preparing the 2016 Additional Fees & Charges Schedule.

Included in this schedule is a $100 – Kindergarten to Year 6 Payment for **Excursion and Incursion** Expenses. This is to cover a number of programs delivered throughout the year such as Class Excursion, Scitech day, and other whole school incursions. (This is extra to the $60 Contribution/child). This payment should be made as part of the booklist order or as a separate payment during the school year.

The Upfront Payment has been more efficient for parents, teachers and school accounting processes. This payment assists the school in the efficient processing of excursion payments.

Did you know that there is a community resource where you have access to over 700 toys for only $75 a year? The Mount Lawley Toy Library is an excellent resource for parents and carers to provide a wide range of fun and educational toys without the expense of purchasing them outright. The Toy Library works in the same way a traditional ‘book’ library does, with members borrowing toys to play with in their own home.

With over 700 toys to choose from for children from birth to age six signing up to the Mount Lawley Toy Library makes sense.

Some of the benefits of joining the toy library include:

- Saving money on toys that children quickly outgrow
- Being able to choose different toys every three weeks
- Trying out toys before you buy (potentially saving you hundreds of dollars!)
- Not having to worry about toy storage
- Exposing your children to a variety of toys

The Toy Library is open every Saturday from 10am until midday and is located at 26 Blythe Avenue Yokine. For more information, please visit our website (www.mtlawleytoylibrary.org.au), like our Facebook page (www.facebook.com/mtlawley) or email committee@mtlawleytoylibrary.org.au

We’d love to see you at the Toy Library soon!

Successful Single Parenting - Wednesday 30 March – 6.30-9pm $25.

People become single parents through a range of life choices and circumstances. Parenting alone is different in many ways compared to a two parent household and can have its difficulties and challenges. Whatever the challenges it is important to live your life in ways that shows your children you are happy. This will help them accept and value their lifestyle. If you are a single parent and are through that initial break-up stage this course will provide strategies that will help you develop a close and special relationship with your child. For further information please 6164 0200.

Understanding Stepfamily Relationships – a weekend course 1 2 3 April - $75 per person/$120 per couple.

Stepfamilies and blended families operate in a different way to intact biological families.
