Parent Survey
At Yokine PS we are constantly reviewing our direction to ensure that we are fully supporting the academic and social emotional requirements of our students. We actively engage in processes that support the building of positive parent partnerships and ensuring that you are aware of our direction and have input into this.

Parents have a number of avenues for this: School Board and P & C. To provide another avenue for this, we have developed a parent, student and staff survey.

I encourage you to participate in the survey as your input is highly valued and respected and will help us continue to value add to our direction and consequently positive engagement with our parents. At the end of the survey, the results will be published.

The survey will close on the 13 May 2016.

Japanese Visitors
We were privileged last Friday to have 20 students and their teachers come to YPS. The students are part of a cross cultural exchange with MLSHS. They brought Japanese games and activities with them and a number of our students took part in the activities.

Play after school
We had an incident yesterday where a student required stiches after a serious injury while playing on the oval playground after school. To ensure the safety of students all playground equipment is not to be used after school. Whilst I know some will not be happy with this decision I need to ensure that the risk of injury to students is reduced while on school grounds. Your cooperation with this is appreciated.

EASTER HAT PARADE

This year’s Easter Hat Parade was a hugely successful event.

All students put a lot of effort into creating wonderful hats. I was especially impressed with the senior Year 5/6 class with 100% participation and effort. They made some extraordinary hats and were very good role models and examples to the whole school.

Thank you to all the enthusiastic parents and family who attended the event.

Sharing our Past
Annabel’s dad Andrew Grieve came in on Friday to talk to Room 6 about growing up in Australia and then moving back to Scotland where he was born. He always knew that he would return to Australia one day as he loved the weather and the beaches. The students got to see pictures of an old telephone, a television and a computer. The students in room 6 were very curious about the ‘olden day’ and had lots of questions.

In the picture Annabel is holding her Dads fluffy toy from when he was a baby.
Thank you Mr Grieve for sharing your memories with Room 6.

IMPORTANT CANTEEN NEWS

Over the past 18 months, the canteen has been running at a loss. The P&C has tried different ways to keep the canteen afloat, with no success.

Therefore, from the advice and guidance of the P&C auditor and the WA Canteen Association, the P&C has made the unfortunate decision to close the canteen 2 days a week.

As Week 2 of next term, the canteen will only be open on Wednesday, Thursday and Friday.

If you have any questions for queries, please do not hesitate in contacting a member of the P&C or via email at yokinepspc@hotmail.com

Voluntary Contributions and Charges: 2016

Dear Parents and Caregivers

The Education Act 1999 requires schools to notify parents of the schedule of Voluntary Contributions and Charges for 2016. The Yokine Primary School Board has endorsed the schedule of Contributions and Charges for 2016. The Schedule covers four sections and will allow you to calculate all costs for 2016.

1. Voluntary Contributions: (Section 99)

- The total amount of contributions parents and carers are being asked to pay has to be set in accordance with School Education Regulation 2000.

- Money collected will be used to supplement school expenditure in the purchase of resources needed in the provision of the learning program activities, examples are set out below:

<table>
<thead>
<tr>
<th>Kindergarten to Year 6</th>
<th>Information and Communication Technology</th>
<th>Physical Education Equipment</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>hardware and software</td>
<td>Music Resources</td>
</tr>
<tr>
<td></td>
<td>English resources</td>
<td>Library Books</td>
</tr>
<tr>
<td></td>
<td>Science resources and consumables</td>
<td>Art/Craft resources and consumables</td>
</tr>
<tr>
<td></td>
<td>Mathematics resource</td>
<td></td>
</tr>
</tbody>
</table>

These contributions are voluntary; therefore, the quality of our teaching and learning program will be enhanced when every family makes a contribution to the cost of supplementing funding gained from other sources including the State and Federal Governments. The cost represents $15 a term or less than 50c per day.

2. Yokine Primary School Digital Technology Fund / Building and Grounds Improvement Fund

Yokine PS Digital Technology Fund:
This fund was established and sanctioned by the School Board in 2012 to allow parents and community members to make a donation to support the school in developing our digital technology program K – Year 7 to ensure our students are supported in developing their skills and 21st century learning. In 2013 and 2014, the school purchased 2 banks of Tablets used generally for the junior years and 1 bank of Laptops used in the middle to upper years. In 2015 we increased the amount of Laptops by 16 and tablets by 12 to increase the capacity of technology integration across the school. The total estimated cost was $30,000. The generous donation from the P & C in 2013 and 2014 has supported the purchase of some tablets and laptops.

Yokine PS Grounds Improvement Fund:
This was established and sanctioned by the School Board in 2014 to support the growing need of developing our grounds, and playgrounds and to bring us in line with current educational learning for the junior years (K- 2) and within the Mandated National Quality Standards for Early childhood Education and Care. https://www.education.gov.au/national-quality-framework-early-childhood-education-and-care
The School Board has included the option for parents to make an additional voluntary contribution to these funds by paying $10, $20, $50 or any other amount. Donations can be made at any time during the year.

3. Extra Costs Associated with Optional Education Program: (Section 100)

A breakdown of estimated charges for your child’s participation in expected class and school activities for 2016 has been included. Details on charges collected in previous years have assisted us in preparing the 2016 Additional Fees & Charges Schedule.

Included in this schedule is a $100 – Kindergarten to Year 6 Payment for Excursion and Incursion Expenses. This is to cover a number of programs delivered throughout the year such as Class Excursion, Scitech day, and other whole school incursions. (This is extra to the $60 Contribution/child). This payment should be made as part of the booklist order or as a separate payment during the school year.

The Upfront Payment has been more efficient for parents, teachers and school accounting processes. This payment assists the school in the efficient processing of excursion payments.

INFORMATION
The Triple P – Positive Parenting Program® knows all parents have different needs.
That’s why Triple P has many different ways for you to get your parenting help. So you can choose what will suit you and your family best. Who is this for?
- parents of children, birth–12

www.triplep-parenting.net
Small changes, big differences.

Is this your family?
Other parents don’t seem to have it as tough as you. Your child constantly misbehaves. Your family life is full of anger and tears. There’s probably a lot of shouting and your child may even be aggressive – perhaps hitting you, the furniture or his or her brothers and sisters. In fact, every day – from breakfast to bedtime – is a battle. If this sounds familiar, then Group Triple P can help. Group Triple P gives you support to help you manage your child’s behaviour and prevent the kinds of problems that make your family life stressful.

Or is this you?
You want to create the happiest home life you can. You may have a few concerns about your child’s behaviour – perhaps there’s disobedience or you simply want to find out how to set up better routines for mealtimes or bedtimes. Whatever it is, you’re very keen to learn more about positive parenting and how you can apply it to your family. If you’re ready for a more in-depth look at the parenting strategies that really can work, Group Triple P is ideal.

What happens at Group Triple P?
Group Triple P is a great opportunity to meet other parents in similar situations – other parents who’ll support you and share stories with you. From the start, you’ll be given tips and suggestions to suit the needs of your family. You’ll see scenes from the Every Parent’s Survival Guide DVD, which will show you how the ideas work in real life. And your workbook will give you the tools and information you need to start positive parenting straight away at home. Your Triple P provider will guide you every step of the way and even provide backup phone support as you put your new skills into practice.

How long does it take and how big are the groups?
There are about 12 parents in a group session*. Usually, each session lasts no more than two hours at a time. In all, you’ll attend no more than five group sessions – the first four should give you the tips you need to start positive parenting. Then, you’ll have three weeks to practise Triple P at home. Your Triple P provider will call you every week at a set time to find out how you’re doing and offer advice if you’re having any trouble. Those calls will last about 15 minutes. Finally, you’ll meet up with your group and Triple P provider for one last session. This is a chance to go over any problems you may still have – and to congratulate yourself on how far you’ve come!
