

## Scitech Incursion

Dear Parents,

Scitech presenters will visit the school on Wednesday, 26th July to present two exciting shows for all students. A show entitled Move It will be presented to students in K - Year 3 and for students in Years 4 - 6 the show is entitled Prove It. The shows will be thirty-minute duration and each class will also be involved in a thirty-minute workshop.

The presentations combine a mix of explanation, interaction and demonstration to showcase the scientific process and relevance of science. The follow-on workshops reinforce the messages presented in the shows via student-driven hands-on challenges and experiments.

The topics and activities relate to the Physical Sciences strand.
