

WORLD OF MATHS INCURSION

Dear Parents/Caregivers,

As part of the Maths Support Program we have organised for World of Maths Roadshow to visit our school. This is an ideal opportunity for students to see how maths is applied to real life situations. Students will gain insight into problem solving, working in teams, and also various maths principles which are part of the curriculum.

It is a highly engaging session which will show the students that Maths can be **FUN!**
