LAST P&C MEETING FOR 2017

The last P&C meeting for 2017 will be held on Tuesday Nov 21st. The P&C AGM will be held early in Term 1, 2018 and all committee positions will be made vacant. Expressions of interest are sought for all positions on the P&C. This includes President, Vice President, Treasurer and Secretary. Other "unofficial" positions are also available including uniform shop coordinator, fundraising coordinator, and general committee members. Whilst some people are assigned specific roles, the P&C works very much as a team, with everyone pitching in where needed. Please let us know in person, via the P&C mailbox in the front office, via facebook or email if you are interested, or come along to our next meeting.

Our current President, Kelly Barnes, will be finishing her marathon stint on the P&C as her youngest child moves to high school next year. We are therefore looking for someone to step into this role in 2018.

COLOUR RUN

It's almost here! Please come down to the school to watch the colours fly!!

We are also in need of several volunteers to assist in setting up on the day. If you can come down and hour early to help set up, or stay back for 30 mins to help pack up that would be much appreciated.

If you have any uniform items that your child has outgrown, or you are leaving the school, please consider donating these back to the uniform shop.

SCHOOL BANKING

School Banking is on Friday mornings in the Hall. Come and see Charmaine to find out how to join school banking.

When children make a deposit they get a token and when they have 10 tokens they can choose a free reward. The P&C also earn a commission on deposits. It's never too late to start banking! To join banking you can collect an information pack from the P&C room.

CANTEEN NEWS

To help canteen ordering run smoothly we are asking families to help by doing the following;

- Place only one order per child per bag
- Make sure the Room number is nice and big on the bag
- If you are ordering for more than one child, you can pay for both together by putting money in one of the orders bags (eg. Write on three bags for three children but put the whole amount in only one of the bags)
- Fold the bag (quarters is good – this way the money won't fall out)

P&C ON FACEBOOK

Thanks to the school community for getting behind the P&C facebook page. The page includes updates on what the P&C are doing, calls for volunteers and general information. Check it out if you haven't already!
