

## Principal's Report

Welcome back to another term. Hope you all took some time for a little R & R.

### **Building Works**

We have had some issues with the ramps being slippery when wet since they have been painted. They came in on the break and sanded them back and will return to add another non slip surface.

Pete has added some outdoor screens we were able to get for free to the veranda outside rooms 2 – 4. We will hopefully be able to purchase some more to fill in the gaps providing an outdoor 'room' for learning and reducing the wet weather and wind getting into this area.

### **YPS School Focus Plan for 2017**

We have purchased a number of Hoki stools and have earmarked the purchase of more, when funding from P & C is received. These stools are ergo-dynamic and supports the diverse learning needs of all students in particular students with special needs.

### **ANZAC Service .....**

Is this Thursday 27 April at 10.30. All parents are most welcome to attend this. We have RSL members attending including a bugler.

### **School Board Member**

We have a new school board member Mr E-Wen Ong, father of Addison from PP1 joining the team. Joe Ferrante has resigned from the Board due to work commitments. We thank Joe for all his support during his time on the YPS Board. The Board will begin canvassing potential community members to be part of the Board.

### **School Security**

We have had a number of breaches in security around the school. We ask that P & C members help us in spreading the word for our community to be vigilant and report any suspicious happenings to the police and to us.

### **School Photos**

Will take place Week 2 Term 2 from 2 to 3 May.
