2016 WA Education Awards

We have pretty amazing teachers and support staff at Yokine Primary School who are extremely dedicated and passionate about every child in their care successfully achieving their goals and dreams.

To acknowledge this, the Department of Education provides the opportunity for school community members to nominate a teacher, support staff or principal who they believe has made a distinct difference to their child’s education.

This is part of the 2016 WA Education Awards, and we’re asking students and parents to tell us who makes a difference in their public school.

The staff member who receives the most votes will be awarded the People’s Choice Award at the WA Education Awards 2016 presentation event on Monday 28 November.

All school staff who receive a vote will be acknowledged in The West Australian on World Teachers’ Day on Friday 28 October. You can vote now at thewest.com.au/competitions
Voting closes 5.00pm Friday 23 September 2016.
