Yokine Primary School
2016 Voluntary Contributions and Charges

The voluntary contributions made by parents and caregivers are essential to the School’s ability to deliver a transformative learning experience for your child. Your voluntary contributions will enable us to extend our capacity to add value to the learning experiences of our students. With the extra funds we are able to build on our literacy and numeracy programs, sports, arts and music programs and equipment.

Your contributions will also enable us to expand our range of digital technologies to support learning and prepare your child for a digital environment. We will also be able to make significant improvement to the early childhood play environment. The recommended contributions for 2015 are outlined below:

- $10, $20, $50 or other
