

Dear Parents/Carers of Year 6 students.

RE: DAY CAMP ACTIVITIES 2017.

Two Camp Days of activities will be organized in 2017 for year 6 students. It is expected that all student will take part in the activities.

The first day has been organized for **Wednesday 8 March**. This involves a day at Point Walter Recreational Camp site. The students will take part in adventure and team building activities on the water. The details are outlined below. The second day is yet to be organized but will involve adventure and team building activities such as the Flying Fox and Rope Climbing.

The purpose of these activities is to foster social and cooperation skills, increase team building skills, to provide leadership opportunities and to help in the transition to high school. And of course to have lots of **FUN!**

Our day at Point Walter campsite will involve **water** activities such as paddling and raft building and team building games on land. It is essential that students wear the clothing as indicated or they will not be able to participate, due to safety reasons. The instructors are very strict on this matter. Professional and qualified instructors run all activities so that the safety of the students is paramount at all times.

If you have any queries about the Day Camp please don't hesitate to contact me.

Please fill out the attached permission form and return with payment method to front office by **Wednesday 22nd February 2017**.

Kind Regards

Lorraine Manning
Year 6 Teacher / Curriculum Manager
